

Brightleaf Analytics - Employee Handbook (2025 Edition)

This is a fictional sample document created for testing a RAG pipeline.

1. Working Hours and Hybrid Work

Core working hours are 10:00 to 16:00 India Standard Time (IST). Outside core hours, employees may plan their own schedule.

Brightleaf follows a hybrid model: employees may work remotely up to 3 days per week. Tuesdays and Thursdays are in-office collaboration days for all teams.

2. Leave Policy

Full-time employees receive 24 days of paid annual leave per calendar year. Up to 8 unused annual leave days can be carried forward to the next calendar year; any additional unused days lapse on 31 December.

Employees receive 12 days of paid sick leave per calendar year. Sick leave of more than 2 consecutive days requires a medical certificate.

Parental leave is 26 weeks of paid leave for the primary caregiver and 4 weeks of paid leave for the secondary caregiver.

3. Probation and Notice Period

All new employees serve a probation period of 6 months. During probation, the notice period for resignation or termination is 30 days.

After an employee is confirmed (has completed probation), the notice period is 60 days.

4. Performance Reviews

Performance reviews take place twice a year, in April and in October. Salary revisions are decided in the April review cycle.

5. Benefits

Each employee has a learning and development budget of US\$1,200 per calendar year. It can be used for online courses, professional certifications and conference tickets. Requests must be approved by the employee's manager.

Group health insurance covers the employee, their spouse and up to two children, with a sum insured of INR 500,000 per family per year.

The employee referral bonus is US\$1,000. It is paid after the referred new hire successfully completes their probation period.
